

TKIS ONLINE FEE AND SCHOLARSHIP DISCOUNT CALCULATOR TOOL

2019-2020

v1.2

Use this form to estimate your TKIS 2019 or 2020 school fees and optional Honours Scholarship discounts.

What this calculator can and can't do:

It CAN...

- Calculate Tuition Fees for up to 7 children
- Calculate Bus Fares on the Boonah and Yarrabilba Buses
- Include an estimate for Uniforms for each child.
- Calculate compulsory fees like the Annual Building Fund
- Estimate discounts for families who seek Honours Scholarships

It CANNOT...

- Calculate Bus Fares for the Beaudesert or Rathdowney buses
(You'll have to contact Logan Bus Services for those costs)
- Calculate International or Non-Local Fees
(This Tool is for Scenic Rim and Logan area families only)
- Calculate Boarding and Mid-Week Boarding Fees
(You will need to contact the school directly for that.)

1 First, we're going to need to collect some information...

How many children will be attending TKIS at this time?
(Select from Dropdown, then DOUBLE CLICK the LOAD button)

Will you be requiring seats on either of the TKIS school buses from Boonah or Yarrabilba?

Do you want us to include an estimated \$500 per student for uniforms in the calculations?

Will you be seeking a Provisional Honours Scholarship to discount the fees further?

If so, you can optionally enter last year's household income (number) in this text box for detailed discount calculations

2 Choose from dropdown in this column for each child being enrolled

	Tuition & Other Discountable Charges	Bus Fares	Uniform Estimates	Building Fund

3

Total Annual fees and charges Payable (BEFORE Honours Scholarship discounts)

4

Your Discount Level (based on the data you entered in Step 1 above.)

Discountable Fees & Charges

Non-Discountable Fees & Charges

TOTAL PAYABLE AFTER Discounts

52 x Weekly Instalments

26 x Fortnightly Instalments

12 x Monthly Instalments

4 x Term Payments
