

# TKIS GOLF ACADEMY

Former TKIS Golf Academy students, World Number 1 golfers Jason Day and Adam Scott

## TKIS GOLF EXCELLENCE & MASTERY PROGRAMS

The internationally acclaimed Golf Academy at TKIS was established in 1990 and since then has produced a host of top Australian and world-class players. The Academy offers two programs to full-time students of The Kooralbyn International School. Integrated into the weekly school timetable, the **Excellence Program** runs for 36 weeks per year over 1.5 days per school week and most Saturdays during the school term, and the Friday-only Mastery runs for 36 weeks per year during the school term on Fridays.

The program is developing a proud history: Since 1992 there have been 13 state representatives (including Jaimee Dougan in 2010), 7 national representatives and 2 World Champions. Kooralbyn won the World Schools Championship in 1999 and were Australian school team champions in 1992, 1997, 1999, 2000 and 2002. In 2009 our golf team were the only school to make the World Amateur Golf Team Championship Finals held in Malaysia.

The Academy utilises the latest video swing analysis technologies and the world famous 'Perfect Stroke' system. Apart from a full-time coordinator, the Academy boasts a top coaching staff, all training facilities within walking distance from the school/Boarding Dormitories and a tradition of 'excellence' and personal support that makes it a truly world-class program.

### Coaching Staff

# THE KOORALBYN INTERNATIONAL SCHOOL

An independent co-ed boarding and day school for Prep to Year 12, located in the Gold Coast hinterlands.

## GOLF AS A HIGH SCHOOL SUBJECT

A Skills Training session on the school's own 210m practice fairway.

- Imagine being able to spend one and a half days of school every week playing, learning, practicing and 'living' your golf. At TKIS, your English, Maths, Science and other subjects are mixed into your weekly Golf Training schedule. Your golf 'classroom' is right outside your other classrooms ... With practice fairways, practice greens and bunkers on our school grounds and one of the most challenging 18 hole golf courses in the country located next door, our golf students have everything they need at their fingertips.
- For students who see golf as an integral part of their future careers, there's no better option. TKIS has an exceptional

academic record (Top 20% of OP results in the State) and a long history of producing excellent young golfers with a well-rounded grounding in all aspects of the game, including skills training, course management, strength and conditioning, sports psychology, career advice, diet and of course healthy competition.

- On-campus boarding is available for those who require it and our coaching staff are all PGA qualified.
- Whether you see your future leading you to university, to a golf apprenticeship or on to the competitive circuit, the TKIS Golf Program has been designed to help you get there.

World Number 1 Golfers Adam Scott and Jason Day are both former members of the TKIS Golf Academy.

Other former members currently on PGA or LPGA tours also include Andrew Buckle, Steve Bowditch, Jon Reily, Gavin Flint and MinJee Han.
