

WHERE IS THE SCHOOL?

Ringed by dramatic mountain ranges protecting mystical Gondwana rainforest, within the Scenic Rim you'll find lush valleys and fertile plains bursting with farmland and charming country towns stretching from Tamborine Mountain to Kalbar, Boonah to Beaudesert, and Canungra to Beechmont.

The Kooralbyn International School offers a World Class Education

Our motto is *Absol Fiducia* which means 'Absolute Self-Belief'. We want our students to feel that they are part of a small, close knit community that supports its members, values everyone's talents and celebrates our collective differences. We aspire to create an atmosphere of an educational 'village' that provides every student with the opportunity to be the best that they can be and helps them find success and happiness on whatever pathway their individual strengths and passions lead them.

SMALL SCHOOL BIG AMBITIONS

Grades 7 to 9 follow the Queensland Curriculum as defined by the QCAA. In addition to core subject areas, our High School offers a range of all-day Friday Mastery Programs in disciplines like Athletics, Dance, Digital Design & Photography, Drama, Golf, Media, Music, Tennis and Equestrian. Small class sizes are one other core advantages of Kooralbyn. Students start their transition into Senior School in Grade 10 where we try to equip them for the challenges ahead. Grades 11-12 follow the Queensland New Senior Curriculum articulating into ATAR and QCE qualifications. The key objective of our Senior School is to prepare students in every way for life after high school. All students will be well equipped to become global citizens.

International Students

The Kooralbyn International School has a long history of educating International Students. Students have come from various parts of the world and taken away with them, an all-encompassing experience that has enriched their educational journey. The Australian cultural experience is like no-other in the world, marked by social and cultural events aimed at generating community experiences.

HOMESTAY EXPERIENCE

All International Students will live with a family in Australia. The homestay experience provides a level of assurance that students are placed in safe and secure homes. Included in the costs for the homestay are the following:

- Airport transfers
- Accommodation
- Utilities
- Transfers to and from school
- All meals
