## Fee Options and potential for Change of Fees

The table above also shows optional charges for students who wish to participate in Mastery Programs, who wish to board at the school and who desire access to the school's Airport Pick-up and/or Drop-off service.

Though prices and charges are subject to change, the school does its best to maintain fees at competitive rates. Fees and charges have only risen by an average of 3% per annum over the last five years and the school sees no reason why this level of increase would be likely to change. In other words, it would be advisable to assume that fees will rise by around 3% on average per annum.

## Payment of Course Fees and Refunds

- Fees are payable 12 months in advance.
- All fees must be paid in Australian dollars.
- No more than 50% of the total cost of a course should be paid before commencing.
- If the student changes visa status (e.g. becomes a temporary or permanent resident) he/she will continue to pay full overseas student's fees for the duration of that calendar year.
- Refunds will be reimbursed in Australian dollars and the payment sent to the applicant's home country unless otherwise requested in writing.
- Refunds will be paid to the student or the person specified in the written agreement.

Additional information about the school's refund policy and other policies can be found online at [www.tkis.qld.edu.au/PDF/International\\_Policies.pdf](https://www.tkis.qld.edu.au/PDF/International_Policies.pdf) and in the Agreement Letter that is forwarded to applicants.
