Dear Parents and Carers,

TKIS Uniform Fact Sheet for 2024

We have spent the last few months exploring options that would reduce uniform costs for our families, as well as making the uniform purchase process simpler and more convenient, recognising that many of you do not live in Kooralbyn and you have always had to make an extra trip to the school whenever your children have outgrown their uniforms and need new ones.

We are pleased to inform you that TKIS has partnered with **The School Locker** and **as of Monday 13th January, 2020, all TKIS uniforms will be available for sale from the online School Locker shop at <https://theschoollocker.com.au/>** which also provides a one-stop shop for all your other school uniform requirements (shoes, belts etc) that we have been unable to stock in the past. In a nutshell, with The School Locker and TKIS working together, we can look forward to:

- Lower priced uniforms;
- Convenient 24-hour access to an online shop with free delivery for TKIS uniforms;
- A size chart to help determine your child's uniform size and free returns (via a reply paid delivery bag) if the wrong size was purchased;
- TKIS will also maintain a fitting room at the school so you can always pop in and physically try on the uniforms before purchase, if required. An iPad will be available at Reception so you can place your orders at The School Locker online shop after your uniform fitting;
- A School Locker Student Advantage Card that offers discounts for selected School Locker items;
- Payment plans for uniforms will still be offered by TKIS. Please contact the school for a Uniform Payment Plan Application Form, if required;
- Financial Assistance for uniforms is available, if required. Please contact Angela Mills (a_mills@tkis.qld.edu.au) for more details;
- A small selection of uniforms (socks, ties, bucket hats and sports caps) will still be on sale at the school for emergencies;
- Your uniforms can be delivered to the school for your children to bring home with them, if this is a more convenient option;

The school can no longer purchase or supply second-hand uniforms due to space constraints. There is currently a limited selection of second-hand uniforms for sale until Friday 13th December for those interested.

It is important to note that we will no longer be selling the full range of uniforms (or second-hand uniforms) at the school after Friday 13th December, 2019. If you wish to purchase uniforms at the school prior to 13th December, please call us at 5544 5500 to book a uniform appointment as normal.

Kind regards,

Geoff Mills
Principal
